

Are You Thin? Pale?

All run down, easily tired, nervous? And do not know what to take? Then go direct to your doctor. Ask his opinion of Ayer's Sarsaparilla. It contains no alcohol, no stimulation, and is a blood purifier, a nerve tonic, a strong alterative, an aid to digestion. Ask your doctor about Ayer's non-alcoholic Sarsaparilla as a strong tonic for the weak.

TENNIS GAMES ARE EXCITING

Yesterday's matches in the E. O. Hall tennis competition were excellent exhibitions of tennis and each game was marked by very close play. In the match to conclude the second round Arthur Richards beat Bob Sinclair 6-2, 6-0, 6-2 and earned the right to play A. M. Nowell in the semi-final. The match between the last mentioned pair provided one of the keenest struggles of the competition, going the full five sets before being finally won by Richards, and two of the sets were "vantage sets." In the first set Richards won after playing sixteen games, the second set went to Nowell 6-3; Richards took the third 6-4 and there was a grim contest in the next which Nowell captured 7-5, but the last set was rather an easy win for the younger player, who took six games against Nowell's single.

The second semi-final was not concluded, as when play was called on account of the lateness of the hour Castle and Wall had each two sets and two games in the final set to their credit. Castle's sets were won 6-4, 6-3, while Wall won his 6-2, 6-4. The final set will be played today on the Beretania courts and the winner will stack up against Arthur Richards in the final, which is scheduled to take place at four o'clock.

SPORT NOTES

The Eagle patrol of the Boy Scouts has arranged a hike to the waterfall on the Pacific Heights for next Wednesday. The boys will meet Scout Master G. C. Chamberlain at 183 School street at 3 o'clock in the afternoon.

Kalihi Wins at Basketball.

The first game of the basketball series arranged between the Y. M. C. A. and the Kalihi teams was played off at Kalihi and resulted in a win for the home team by 3 to 19. The game was fast, but rough, and in the roughness the Kalihi boys had the advantage. The Y. M. C. A. was a fast light team, but the heavier boys on the Kalihi quintet more than held their opponents in the first half scoring 19 points to 8. In the second spell the Y. M. C. A. team was slightly changed, heavier men being substituted and in this session there was only a difference of one in the scores, Kalihi scoring 12 to Y. M. C. A. 11. Canin, who was marked by Honan, scored seven goals for Kalihi, but Zerbe, who was marked by Marcalino, did not score one point. For the Y. M. C. A. nine goals were scored from fouls and for Kalihi only five. Kalihi committed 16 fouls and Y. M. C. A. fourteen. Corporal Woodruff refereed the game; James Nott was umpire; and Rice and Hand were time keepers. The second game of

the series will be played at the Y. M. C. A. on the 18th inst.

The Week-End Program.

With a tennis final on the Beretania Courts, and the interscholastic field and track meet on the Boys' Field for this afternoon and four ball games for tomorrow, two on Athletic Park, one at Waipahu and one at Waianae, fans have quite enough attractions for one week-end.

The Tennis Final.

The tennis final should attract a good attendance, particularly if Castle wins out in his unfinished match with Wall, for then Castle and Arthur Richards will meet on the same mark to fight out the final. As the championship at tennis will be fought for very soon, such an encounter as this one will give fans a line on the respective chances of two who at present must be given excellent chances of taking the year's championship.

Students Struggle for Athletic Supremacy.

The Athletic meet at the Boys' Field between Kamehameha School, St. Louis College and the McKinley High School will no doubt be witnessed by a large gathering of students, with a good sprinkling of adults, for meets of this nature between the lads of the rival educational establishments always command plenty of support. The Kamehameha boys, after their excellent showing against the College of Hawaii and Punahou, will surely be tipped as the winners of this meet, though there are reports from St. Louis that the boys of that institution are inclined to the belief that they will win out, relying on the High School boys to win out against the Kamehameha in the events in which the St. Louis boys have no chance of annexing first place. The meet has not attracted the same attention as the recently-concluded meet between Punahou, College of Hawaii and Kamehameha, but nonetheless there is plenty of interest taken in the triangular contests.

The Ball Games.

Of the two fixtures in town, which were made possible owing to the postponement of the opening of the Oahu Baseball League, one, at least, gives promise of being an exciting game, though the Aala Park team has not been seen in action for some time. Sam Hop is back of the game, and he claims that fans will be tickled to death by the class of ball served up. The Asahis put up good ball on Sunday last, when they snatched a nine-inning victory from the Muhocks, and are expected to safely handle the little heard-of Aalas. The preceding game will be between the Japanese High School and the Honolulu Japanese Club and fairly good ball may be anticipated.

The two games in the plantation league are Waipahu vs. Ewa and Waianae vs. Aiea. After the results of the first four games in this league it looks as though Ewa and Aiea are due to add to their victories. In the first game Aiea beat Ewa 4-3 and followed up that success by beating Waipahu 19-0. Ewa opened with the defeat mentioned, but in the second match wallowed Waianae 15-6. Waipahu won a close game, 6-5, against Waianae in the opening match, and

lost to Aiea as mentioned, while the Waianae boys have yet failed to score a win. As the competition stands at the moment, Aiea is on the 1,000 mark, Ewa and Waipahu are on the 500 mark and Waianae is still playing with the cyphers.

J. Kuanono, A. Spencer and R. Husey are three new players on the Kam baseball nine for the season. The three are good fielders and are handy with the stick. Their inclusion has strengthened the Kam team, which expects to make a good showing in the Inter-scholastic league. Dan Kallai will be in the box for the Kama when the team meets the St. Louis boys on Monday at Aala Park, and the following old forces will be seen on the diamond:—W. Kamalopili, D. Kallai, E. Noah, W. Apan, G. Lujan, J. Kashi and John Lindsay.

Once upon a time, a man who was too economical to take a paper, sent his little boy to borrow the copy taken by his neighbors. In his haste, the boy ran over a four dollar stand of bees, and in ten minutes looked like a watery summer squash.

His cries reached his father, who ran to his assistance, and, failing to see a barb-wire fence, ran into it, breaking it down, cutting a handful of flesh from his anatomy and ruining a five-dollar pair of pants.

The old cow took advantage of the gap in the fence, got into the cornfield and killed herself eating green corn. Hearing the racket, his wife ran, upsetting a four-gallon churn full of rich cream into a basket of kittens, drowning the whole "flock." In her hurry she dropped a seven-dollar set of teeth. The baby, left alone, crawled through the spilled milk into the parlor and ruined a twenty-dollar carpet. During the excitement the oldest daughter ran away with the hired man, the calves got out and the dog broke up eleven sitting hens.
